**SEVERE PUNISHMENT**

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

**MOTHERS' DAY AT THE FIRST BAPTIST SUNDAY SCHOOL.**

Tomorrow (May 10) is Mothers' Day at the First Baptist Sunday school. A splendid program, in keeping with the occasion, has been arranged by the program committee, the program appearing in this afternoon's issue of The Eagle. Every mother is urged to be present. We want to show you our love and devotion for the hands who have rocked the universe, who have been the guiding star in the progress of all human development. As an emblem of our love for mother, it is hoped that all will wear a white flower tomorrow. Whether your mother is dead or living, there is that divine love just the same. Then, one and all, young or old, male or female, come to Sunday school in the morning and help to make this beautiful commemoration one of great devotion for the one who first pressed you to her bosom and then planted upon your brow your first fond and affectionate kiss.

If you have a white flower in your garden pln it on. If you haven't this flower, come right on, as we will have plenty of white flowers at the church in charge of a committee of five young ladies, who will take pleasure in greeting you at the door and furnish you with the desired flower.

JOHN A. MOORE JR., Supt.
